Turn on Foster Street and pass The Howard School and the main entrance to The Goat Farm on your right. Proceed to the next driveway and turn right to enter the secondary entrance to the property (you'll see a sign that says "Slow, Watch for Animals"). Park around the trees or in the upper lot by the water tower. Then, follow the arrows by foot towards the drive-under brick archway. Once you're inside the tunnel, enter thru the double red doors on your left under the sign that says ER-PR. Photosynthesis will be straight ahead on your right!
